

September 2012

Lions Tale

Happy fall fellow Lions!

Our first meetings of the 2012-2013 season were great meetings. The first had lots of discussions and sharing of ideas. The second had a program by the founder and owner of Chateau Niagara, a local winery in Newfane. It was informative and interesting as we learned about growing seasons, grape varieties and were even given sample tastings of two of their wines! Thank you to Mr. Baker for attending!

We will now be meeting for a regularly scheduled dinner meeting on the first Wednesday of each month. The third Wednesday will now be a combination meeting. The Board will meet first with every Lion being invited to attend at 7 pm at our clubhouse. We will follow up the Board meetings with potluck snacks and desserts and social/game time together. There will not be a \$13 dinner charge on these nights.

Our November 7th meeting will start at Chaffee Farms on the corner of Lake and Countyline Roads at the new milking parlor. We will be receiving a tour of the new parlor and then convene back at the clubhouse for dinner. We look forward to seeing everyone at the farm at 6:30 or at the clubhouse afterwards.

The Lockport Lions have invited us to attend their meeting at Cammaratta's on October 16th. Their meetings are at 6:30 pm. Any Lion that would like to attend should contact Lion Sarah this week so she can call them with a number.

Happy fall and I hope everyone is adjusting to the crisper weather!

Lion Sarah
