

November 11, 2012

My Fellow Lions,

We had two great meetings in the past few weeks. Our October Board meeting was the first one held in the new meeting format. The Board met and afterwards we sat with other Lions and played cards, had snacks and laughed. It was a lot of fun and I encourage you to come to the next one.

The November 7th meeting featured Sarah Capen, Barker Alum. She spoke about the Niagara Heritage Society. I, for one, learned a lot about this federally funded program that I barely knew existed.

We also had two prospective members as guests. Welcome to John McDonald and Gary Stoloski.

For those of you that were not in attendance, a word of advice: The Tale Twister is exceptionally smart and sneaky! Come prepared!

Some reminders:

If you have not paid your dues yet, please get them to Lion Jim.

Our Board meeting will be THIS Wednesday, the 14th due to the upcoming holiday. The Board will convene promptly at 6:45. **Following the Board meeting we will be doing our annual Blind Seals drive.** Please come and help! Many hands make light work. Bring a snack if you would like.

We handed out all the ornaments for the pantry gift drive. Those gifts need to be brought to our December 5th meeting. Absolutely NO LATE GIFTS. If you would still like to help out and missed the meeting please contact Lion Burley.

Remember the holidays are coming, along with kids being off school during them. If you can donate any food to the pantry, please bring it to our meeting.

See you Wednesday!
