HAPPY 68th BIRTHDAY BARKER LIONS

Our next regular meeting of the Barker Lions is Feb. 4th. This is the date 68 years ago that Barker Lions were organized. Please try to make the meeting and celebrate this great anniversary. The program for the evening will be a presentation by the Niagara County Tourism and Convention Corporation.

The Board Meeting for Feb. will be on Wed. Feb. 11th. This is a change from the third Wed. of the month. Please mark this date on your calendar.

Please keep selling the March Lottery tickets. Lion John McDonald would like members to turn in sold tickets as soon as possible. This will help him get them listed before the month starts.

The Barker Lions have two pancake breakfasts planned for the month of March. March 1st will be with the BCS Music Boosters and March 15th is with the BCS Language Dept. Please mark your calendars & plan on helping out with these breakfasts.
