

BARKER LIONS TALE

DEC.31th, 2011

Dear Lions,

The next 2 regular meeting of the Barker Lions will be held at P.W.T. starting on **Wednesday Jan. 4th**. The meeting will be starting at 7pm.sharp. Our speaker for the evening will be Dr. Duane Snyder O.D. He has been our guest before but always has new material to present on eye care and cure. The speaker for our second meeting in Jan. will be Victor Digiacoimo informing us of the local Watershed Area.

Our Holiday Party was a great success and thank you to Lion Dick Burley and Lion Judy for a great time and food.

Thanks to all who provided gifts for the needy children from the Local Food pantry. Lions are known for their service and once again you all showed your heart is in the right place.

I hope everyone has a happy and healthy New Year and a Happy Birthday to Lion Kevin (30th).
